

**FULWOOD GREEN MEDICAL CENTRE**  
**Average earnings calculation for the year ended 31st March 2025**

**Declaration to be published on the practice website**

All GP practices are required to declare the mean earnings for GPs working to deliver NHS services to patients at each practice.

The mean earnings for GPs working in Fulwood Green Medical Centre in the financial year ended 31st March 2025 was £74,886 before deduction of employee's superannuation contributions, tax and National Insurance. This is the average pay for 8 part-time GPs who worked in the practice for more than 6 months during that year.
